

Prince of Peace Lutheran Church, ELCA Roseville, Minnesota

Dear Prince of Peace Congregation,

I am looking forward to seeing you at the special meeting of the congregation this coming Sunday, March 21 at 10:00am. Here is some information to help you prepare for the meeting.

The purpose of the meeting, as defined by the Congregational Council on February 9, is to consider “actions needed to move forward with an affordable housing project”. The Council and the Affordable Housing Team discussed how those actions might be presented to you and on March 9 decided to pose this one fundamental question to you: “Is God calling us to use this land for affordable housing?”

The answer to this question will come as much through prayer and reflection as from debate and analysis. To attempt to discern God’s calling we will listen deeply to a guiding passage from scripture, reflect silently on God’s message, then share our thoughts with others. We will do that three times, twice with small group discussion and finally as the congregation. After a final prayer and song, we will conduct an anonymous Zoom poll on the question “Is God calling us to use this land for affordable housing?”

Please take some time to review the report of the Affordable Housing Team and the guiding scripture. Please also lift up our congregation in prayer for guidance.

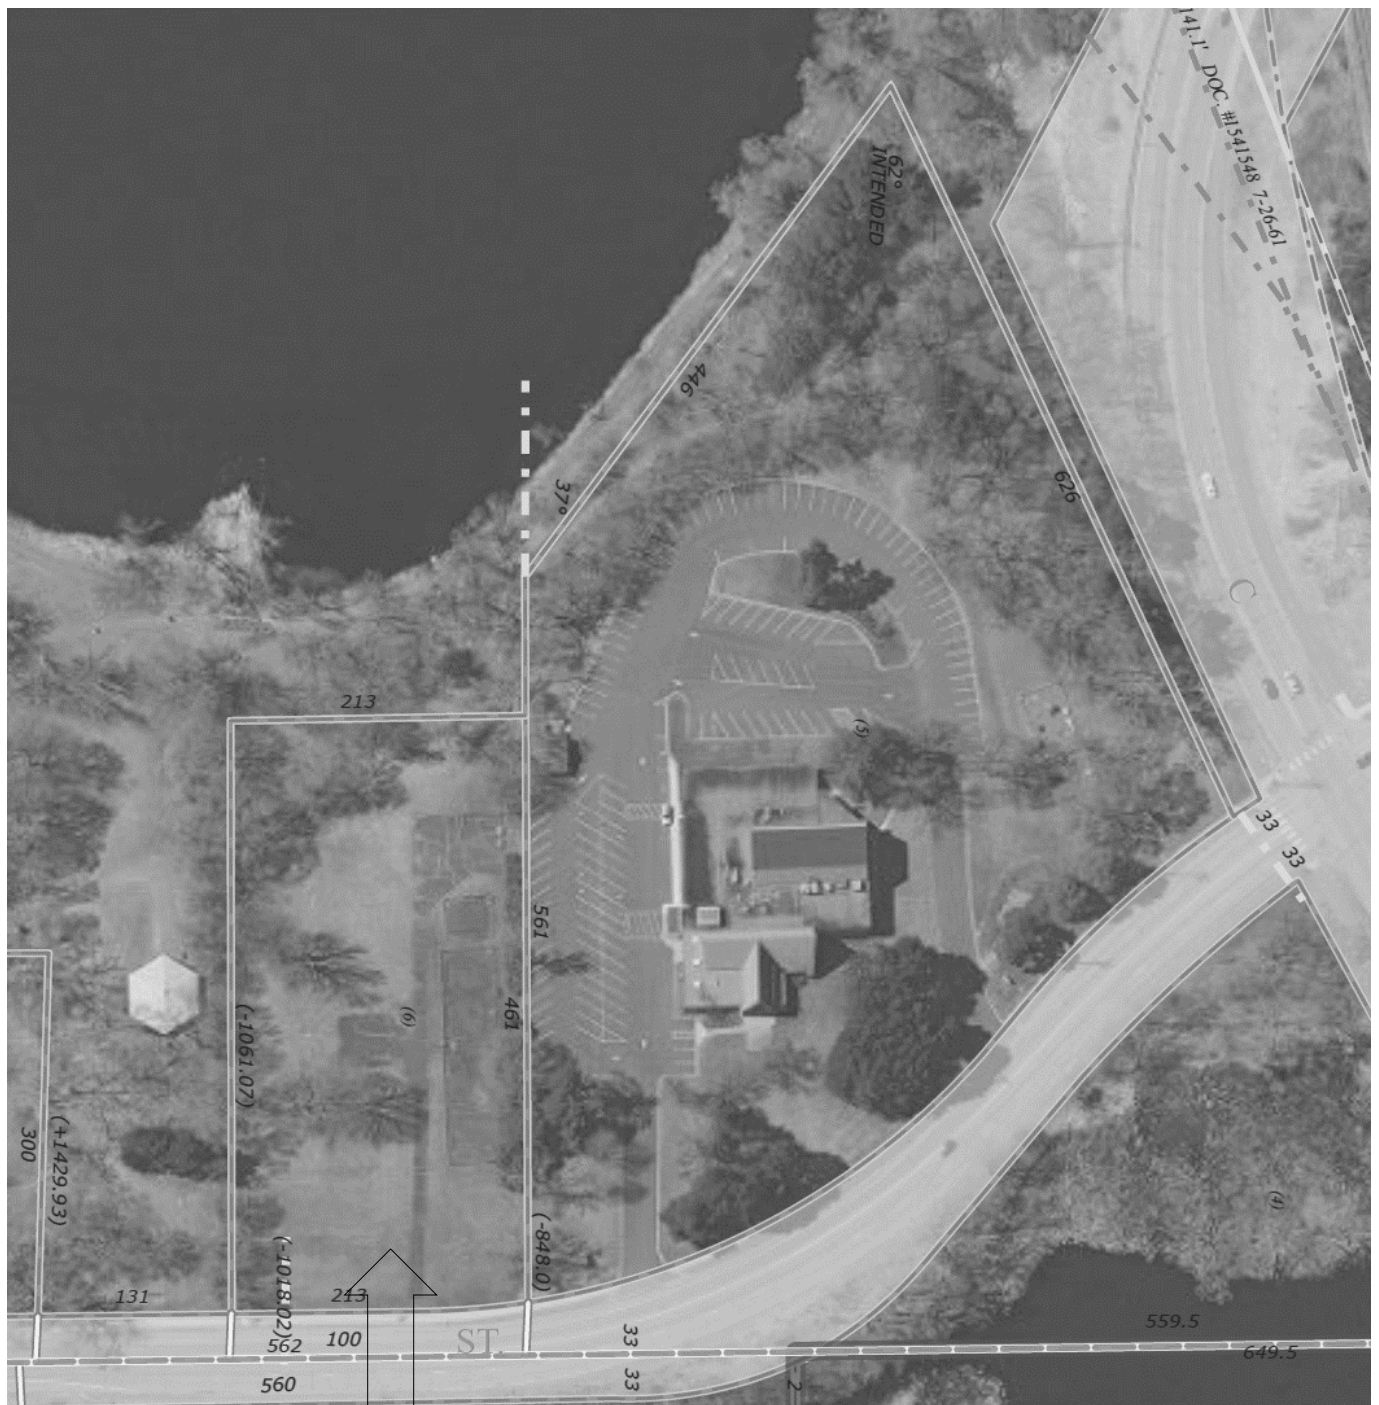

In peace and hope,

Michael Stetzler, President
